

Please amend the application as follows:

IN THE SPECIFICATION:

Please substitute the last paragraph of page 4 and the first paragraph of page 5 of the specification for the last paragraph in page 4 and the first paragraph of page 5, respectively. The first paragraph of page 5 was amended to clarify the statement regarding how the afterglow time of 80 hours or longer was determined. In addition, the last line of page 4 was corrected so that “505  $\mu\text{m}$ ” reads “505nm”. The unit correction to nanometers (nm) is self-evident.
